Important Note

This document has been designed with several demonstrations that should inspire and motivate creative expressions. Therefore, it can be used by anyone managing communications for **Arowolo** ; Designers, Marketers and Brand Strategists can mine the rich vein of color, logo variations and typography. Our guidelines have been designed to ensure consistency within and beyond the company. These guidelines create a strong, recognizable and harmonious communication for

Logo

Our logo is an important part of our brand. It conveys our brand promise and instills our visual identity.

Logo Sketch

Logo Rationale

Our logo is an important part of our brand. It conveys our brand promise and instills our visual identity.

Logo Color Rationale

Logo

Keep it Simple

The evolution of the AROWOLO GROUP
Logo Sometimes less information is more powerful.

Usage on backgrounds

The full-color logos should be used only on white and off white backgrounds. Avoid using full-color logos on photographs unless the logo sits on a black or white area of the image.

One-color use

The one-color logo should be used only on photographs and color backgrounds

The one-color logo should only be used in black and white colorways.

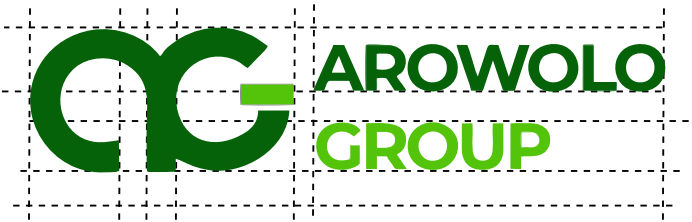

Branding

Ensure there is an "X" spacing as padding for the logo in any application, in the ratio shown below.

The application of logo between full layout and icon will vary based on location and space on assets.

Logo Grid Safe Area

Arowolo Group Logo - Safe Grid Area

Logo Visual Guidelines

X = high of the (o) font / character in logotype

Writing and Spelling

If you wonder, how to spell our company name. There is only one way to spell the company name:

Logo misuse

Do not crop the logo		Do not distort the logo	
Do not change the transparency of the logo		Do not use drop shadows or any other effects	
Do not shuffle around the colors of the logo		Do not re-create using any other typeface	
Do not use different colors		Do not outline logotype	
Do not change the size or position of the logo and logotype.		Do not rotate any part of the logo	

USAGE LOGO: BLACK VERSION

The BLACK VERSION of the logo is ONLY to be used if necessary due to a black/white application. (i.e., black/white ad)

The BLACK VERSION of the logo should never be used on a coloured background, ONLY on white.

USAGE LOGO: BLACK VERSION

The BLACK VERSION of the logo is ONLY to be used if necessary due to a black/white application. (i.e., black/white ad)

The BLACK VERSION of the logo should never be used on a coloured background, ONLY on white.

Social Media Use Case

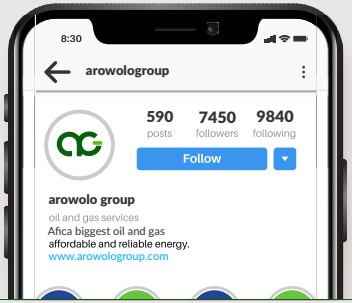

For social media avatars, whether square or round, the symbol should be positioned in the center, and should be as large as possible. For these applications, the clearspace can be reduced to allow greater legibility at small sizes.

Social Media Square Avatar

Social Media Circular Avatar

Trajectory of Innovation

A. How do we move from
conajectory of Innovation?

CONVENTION  INNOVATION

BREATHTAKING
Trajectory of Innovation

B. By investing in our history and brand ethos
we can create a new trajectory forward.

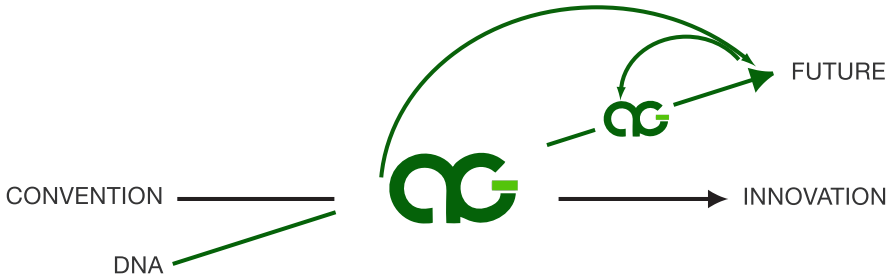

BREATHTAKING
Trajectory of Innovation

C. The investing in our DNA leads to breakthrough innovation and allows us to move out of the tradition linear system and into the future.

D. Continued investing provides us with a clear resource for re-invention.

Tagline

This strong, definitive statement is designed to build an emotional connection both for our stakeholders and clients. We are in the opportunity business. Every employee, every initiative, and every facility enables the creation of important new opportunities to yield a great impact to the society.

By energy we mean the energy of our resources, our people, and our creative energy to empower every business to outperform.

Brand Standards

Brand standards are recognizable elements that embody a company's identity. From typography, color palette and brand pattern to photography direction. Brand Standard make it easy to identify a business, help it stand out from competitors, and cue customer associations.

Brand Typography

Gotham Ultra

For Arowolo oil and gas we use Gotham Ultra typeface for clear messaging and to express the brand personality

Color Palette

Our brand colors were carefully selected. Make sure the right colors are used always.

To make sure you are using the right color, copy the color codes in this document.

Brand Pattern

The colors, direction and orientation of the patterns are not cast in stone, it is at the discretion of the designer to use it in many creative ways as possible. The elements of these created patterns can be also be creatively used alongside images.

The pattern system is very flexible and can work in various applications and size constraints. The pattern can also be expanded for a variety of usages.
